Released by: Joseph A. Foster, Attorney General

Subject: Janine and Adam Kumpu to Pay a Total of \$1,250 Under Consent Agreement For Wrongful Voting Violations

Date: January 14, 2014

Attorney General Joseph A. Foster announced today that his Office has reached an agreement with Janine Kumpu and Adam Kumpu of Milford, New Hampshire to resolve a matter involving wrongful voting violations under RSA 659:34. Under the agreement, the Kumpus agree to pay a total of \$1,250.00 to settle this matter.

Under New Hampshire law, it is illegal for a person to vote more than once for any office or measure in any election and/or apply for a ballot in a name other than his or her own.  
RSA 659:34, I (b), (c).

The Attorney General's Office investigated Adam Kumpu for voting twice during the 2012 General Election. The investigation revealed that during the election, Adam Kumpu voted by absentee ballot in the Town of Milford, and, on election day, registered and voted in the City of Keene. Mr. Kumpu agreed to pay a penalty of \$1,000.00, for this violation of RSA 659:34, I (b).

The investigation further revealed that the absentee ballot was obtained by Mr. Kumpu's mother, Janine Kumpu, who completed a State of New Hampshire absentee ballot application utilizing the personal identifying information of Adam Kumpu and then signed Mr. Kumpu's name on the signature line. Janine Kumpu then submitted the application to the Milford Town Clerk's Office. The town clerk then forwarded the absentee ballot to Mr. Kumpu, who was attending Keene State College. Ms. Kumpu agreed to pay a penalty of \$250.00, for this violation of RSA 659:34, I (c).

I interviewed Adam Kumpu on 10/11/13. Adam admitted completing an absentee ballot and sending it to the Town of Milford, NH. He then admitted to also registering to vote and voting in the Presidential Election in Keene, NH on November 6, 2012. Adam reviewed the application for the absentee ballot and advised that he recognized the printing/writing as that of his mother, Janine Kumpu. **TAB 1**

I interviewed Janine Kumpu on 10/11/13. Janine admitted to obtaining the application for the absentee ballot and printing out the information on the form. I asked if the signature of Adam Kumpu was completed by her. Her response, "Could not be Adam's, it could definitely be mine, but I don't recall." I inquired if she had delivered the application to the Town Clerk's office and she could not recall doing that either. **TAB 2**

**HISTORY**

12/03/12 Roberta (Bobbi) SCHELBERG, Chairperson of the Supervisor of the Checklist in Milford, NH notified NH Votes that an Adam Kumpu had voted absentee in Milford, NH and had also voted in Keene, NH.

12/13/12 Colleen McCormack-Lane of HAVA notified OAG.

**SEQUENCE**

On or before 10/17/12 Janine KUMPU went to the Milford Town Clerk's office and obtained an application for an absentee voter ballot from Claire Callahan.

10/19/12 a completed application for an absentee ballot is "dropped off" at the Milford Town Clerk's office. Deputy Clerk, Claire Callahan then sends an absentee ballot to Adam Kumpu at [REDACTED] Keene, NH 03435-5708 address. **TAB 3**

11/01/12 Adam Kumpu placed the absentee ballot in the mail room at Keene State College.

11/02/12 the absentee ballot is processed at the Manchester NH Post Office. **TAB 4**

11/03/12 the absentee ballot of Adam Kumpu is received by the Milford Town Clerk's office. **TAB 4**

11/06/12 Adam Kumpu registers to vote in Keene, NH and proceeded to vote. **TAB 5**

11/06/12 the absentee ballot submitted by Adam Kumpu is opened in Milford, NH. It appears the affidavit envelope containing the ballot was unsigned but that fact was not realized at the time. The ballot is processed and later it was determined through ElectionNet that Adam KUMPU had already registered and voted in Keene, NH. The left hand side of the Voter Checklist is difficult to see but there are the letters "AB" for absentee ballot. **TAB 6**

### OBSERVATIONS

#### JANINE KUMPU:

- Admits to obtaining the absentee ballot application.
- Admits to completing the printing on the application that is the data for Adam Kumpu.
- Her comment to the signature of Adam, "Could not be Adam's, it could definitely be mine, but I don't recall."
- She also does not recall delivering the application to Town Hall.

#### ADAM KUMPU:

- Initially advised he was either home or mother brought him the absentee application. Upon seeing the printing determined it was his mother's printing.
- Indicates things were hectic at Keene State College and doesn't recall mailing the absentee ballot potentially on November 1, 2012 and then going to the polls November 6, 2012 in Keene, NH where he registered to vote and then voted.

Mary Ann: got home from No Conway at Midnight. Called when I was done with Kumpu and I do not need to return to No. Conway at this point.

Met with Adam and Janine Kumpu separately with Atty. Vogelmann. Interviews taped. Adam advised Mom must have gone to visit him seeing app. signed on 10/17. Adam admitted the printing and writing appears to be that of his Mom, Janine. He tried to indicate hectic schedule at school he must have forgotten he sent in absentee ballot. Ques. how forgot when would have been mail Nov 1 or 2 and received in Milford on Nov 3 then went to vote Nov 6. "Just busy, hectic etc"

Janine admitted going to town hall and picking up the app. Recalled having a conversation with Claire Callahan, Deputy Clerk who she has known for a long time. Thought Adam had come home to get app. When saw printing and writing admitted was her's. Ques. seeing signed 10/17 and absentee ballot sent out on 10/19 if she returned the absentee app to town hall. Didn't recall doing that. Will get interviews transcribed.

**Subject:** Milford - Voter issues

Hello my friends in Concord:

I have two voter issues:

1.) It was confirmed with Keene NH that a voter of Milford's did register to vote on election day 11/6/2012 and he voted absentee ballot in Milford with his ballot coming back to us 11/03/2012. His name is Adam Kumpu # [REDACTED]

2.) We have a Robert Silva on [REDACTED] Milford that has someone voting under his name. We have tried several time to apprehend him but we keep missing him. What should we do? This guy has the name Robert Silva I believe he's six years older than the real Robert Silva he tried changing the address to 26 Nashua Street. Because we cannot get verification from the Town Clerk (DMV) or any other agency we are stuck. Should I just send out a letter to that address and see what happens? Or does the AG's office get involved. I was going to sit at the S checklist in March the only alternative I can think of....

Who do I contact at the AG's office about Mr. Kumpu? I thought it was Jim Kennedy but I can't remember. And you need copies of the registration forms from Milford and Keene correct? Can we fax them to you or your need them

mailed? Keene wanted to know as well.

CONTINUATION OF INVESTIGATION/ARREST REPORT**

Matter #	Case Name	Investigator	Report Date
2013105257	KUMPU, ADAM (Schelberg, Bobbi complainant)	Paul E. Brodeur	September 26, 2013

The initial notification was 12/03/12 at 1234 hrs. from Roberta (Bobbi) Schelberg, Chairperson of the Supervisor of the Checklist Milford, NH to NH Votes that an Adam Kumpu voted absentee in Milford and registered to vote in Keene, NH.

12/13/12 Colleen McCormack-Lane of HAVA responds to Inv. Mark Myrdek that she found some particulars.

09/09/13 I reviewed the file and began processing the complaint. I was able to determine that Adam KUMPU is a student at Keene State College by an address check of 229 Main St., Keene, NH on his voter registration form. I contacted a Debra Barrett at Keene State College and she advised that all mail for Keene State is delivered to 229 Main St., Keene, NH. She directed me to the student web site and found Adam Kumpu with an email address of [REDACTED] and a tel. of [REDACTED]. I determined that the tel. # was not operating. I contacted the Milford NH Police Department and they were able to furnish the following cell #s:

- Adam Kumpu of [REDACTED]
- Janine Kumpu of [REDACTED]

I sent an email to Adam and called the above cell and left a message for him to contact me.

I contacted McCORMACK-LANE and requested HAVA documents – received.

09/10/13 I contacted SCHELBERG and requested the voter checklist. SCHELBERG requested the document from Milford and then faxed to my attention. SCHELBERG commented, "Keene scanned him before we did – hence that's how we caught it."

I responded to SHELBERG inquiring if Milford had determined he had voted in Keene did they count the ballot. SCHELBERG responded, "Yes, Milford opened the absentee ballots counted him as voted and scanned into the system. When we went to scan we noticed that Keene had already scanned him and we contacted Keene to find out if it was an error or not. that's when Keene told us that he had gone to their Town and registered the day of the election and voted.

I noticed from a lot of voters that a lot of them believe that absentee ballots are not counted unless they need to break a tie. Not sure how that got out there but we tell them it's not true."

I had also requested a copy of the absentee ballot paperwork. I was advised that the Clerk, Peggy LANGELL was at a conference therefore I would receive later.

2013105257	KUMPU, ADAM (Schelberg, Bobbi complainant)	Paul E. Brodeur	September 26, 2013

09/17/13 I received a fax from LANGILL that included the envelope that the absentee arrived in, the document requesting the absentee ballot and an absentee certificate that was not signed. I had also received the Adam KUMPU registrations from Milford and Keene, NH. Upon reviewing the forms it appeared that the printing and signature on the Milford and Keene voter registration forms were consistent but that the printing and signature on the absentee application is not the same.

09/25/13 I had not received an email or call from Adam KUMPU. I called his cell and left another message. I also called and left a message on the cell phone of his mother, Janine requesting that she have Adam call me.

1038 hrs. there was a voice mail on my phone from Adam KUMPU. We finally spoke at 1256 hrs. and were to make arrangements to meet in Keene, NH in that he has classes until 1700 hrs.

I requested the registrations for the other KUMPU family members being Richard, Janine and Nina. LANGILL advised they would be forwarded.

09/26/13 I received a fax with the prior registrations for Richard, Janine, Adam and Nina KUMPU.

1105 hrs. I called and left a message for Adam inquiring if Tues. OCT 1, 2013 approximately 1730 hrs. would be available.

1145 hrs. I received a call from a male identifying himself as Richard KUMPU, father of Adam. He inquired what the issue was and advised re: voting in Keene and an absentee vote in Milford. Richard responded that Adam had requested an absentee ballot but when he found out he could vote in Keene, he (Adam) did not send in the absentee ballot. I advised Richard from all indications the ballot had been sent in. I advised Richard that I was going to be calling the family for known handwriting and he advised that he understood. Richard agreed to be with Adam on 10/01/13 at 1800 hrs. along with Janine to meet with me at the Keene, NH Police Department.

Matter #	Case Name	Investigator	Report Date
2013105257	KUMPU, ADAM (Schelberg, Bobbi complainant)	Paul E. Brodeur	October 15, 2013

I had spoken with Adam and Janine KUMPU on 10/11/13. Janine advised that she had obtained the application for an absentee ballot from Claire Callahan who has known the Kumpu family forever. Janine KUMPU did not recall how the application for the absentee ballot had been returned to the Town Clerk's office.

0804 hrs. spoke with Margaret PEGGY LANGILL, Town Clerk for Milford, NH.

LANGILL has also known the KUMPU family for a very long time and described them as a law abiding and upstanding family. LANGILL evidently is aware of the Adam KUMPU writing in that she looked at the application and noted "that is not Adam's writing." LANGILL obtained the original application and it is clearer that the application was date signed on 10/17/12 and **'Dropped Off'** 10/19/12.

I inquired what was the normal process for absentee ballots. LANGILL advised that the absentee request can be printed from the web site but in this case the application was picked up at the Clerk's Office. The application is returned to the Town Clerk and an absentee ballot is sent to the requester. Once the absentee ballot is received at the Clerk's Office, LANGILL uses a rubber band to put together the application and the sealed envelope containing the envelope affidavit that contains the ballot. On Election Day the Moderator and/or workers open the outside sealed envelope that contains the affidavit envelope that has the voter's signature on the outside. The signature on the application and the envelope containing the ballot are suppose to be compared for accuracy. Once both signatures agree the ballot envelope is opened and the ballot is processed. **In this case the envelope containing the ballot from all indications was blank therefore the entire package should have been put aside.**

LANGILL spoke with the Moderator, Peter Basiliere and he advised that he had in excess of 650 absentee ballots and over 900 people that registered on November 6, 2012. He needed to recruit two former workers to assist in the processing. Because of the sheer volume he presumes that the envelopes were opened and signatures not checked seeing the blank envelope is possibly that of Adam Kumpu. LANGILL advised that she had gone through the box of absentee envelopes 3 times and did not find an affidavit envelope with the name of Adam Kumpu on it. LANGILL looked at the printing for the return address on the outer envelope and indicated that writing was that of Adam Kumpu.

The outer envelope has a cancelation date of **2 NOV 12** received at the Clerk's Office **NOV 3, 2012**. LANGILL advised the 3 is hand written in that their date stamp was wrong and they manually corrected it.

0826 hrs. spoke with: CLAIRE CALLAHAN, Assistant Clerk for the Town of Milford.

CALLAHAN advised that she has known the KUMPU family forever. CALLAHAN does recall Janine KUMPU coming into the Clerk's office to pick up the absentee ballot application.

CALLAHAN does not recall if Janine KUMPU dropped off the application but she confirms that the words "**Dropped Off**" are her writing and the Date Mailed **10/19/12** is also her writing and that would be the date that she sent out the absentee ballot to Adam KUMPU at the Keene State College address.

You indicate as a PS Keene scanned him before Milford – that's how you caught it. Ques. If you caught that he had already voted in Keene, does the check mark indicate that Milford processed his absentee ballot and count it as voting?

**DEPARTMENT OF JUSTICE  
OFFICE OF THE ATTORNEY GENERAL  
CONTINUATION OF INVESTIGATION/ARREST REPORT**

Matter #	Case Name	Investigator	Report Date
2013105257	KUMPU, ADAM (Schelberg, Bobbi complainant)	Paul E. Brodeur	October 15, 2013

I had spoken with Adam and Janine KUMPU on 10/11/13. Janine advised that she had obtained the application for an absentee ballot from Claire Callahan who has known the Kumpu family forever. Janine KUMPU did not recall how the application for the absentee ballot had been returned to the Town Clerk's office.

0804 hrs. spoke with Margaret PEGGY LANGILL, Town Clerk for Milford, NH.

LANGILL has also known the KUMPU family for a very long time and described them as a law abiding and upstanding family. LANGILL evidently is aware of the Adam KUMPU writing in that she looked at the application and noted "that is not Adam's writing." LANGILL obtained the original application and it is clearer that the application was date signed on 10/17/12 and **"Dropped Off"** 10/19/12.

I inquired what was the normal process for absentee ballots. LANGILL advised that the absentee request can be printed from the web site but in this case the application was picked up at the Clerk's Office. The application is returned to the Town Clerk and an absentee ballot is sent to the requester. Once the absentee ballot is received at the Clerk's Office, LANGILL uses a rubber band to put together the application and the sealed envelope containing the envelope affidavit that contains the ballot. On Election Day the Moderator and/or workers open the outside sealed envelope that contains the affidavit envelope that has the voter's signature on the outside. The signature on the application and the envelope containing the ballot are suppose to be compared for accuracy. Once both signatures agree the ballot envelope is opened and the ballot is processed. **In this case the envelope containing the ballot from all indications was blank therefore the entire package should have been put aside.**

LANGILL spoke with the Moderator, Peter Basiliere and he advised that he had in excess of 650 absentee ballots and over 900 people that registered on November 6, 2012. He needed to recruit two former workers to assist in the processing. Because of the sheer volume he presumes that the envelopes were opened and signatures not checked seeing the blank envelope is possibly that of Adam Kumpu. LANGILL advised that she had gone through the box of absentee envelopes 3 times and did not find an affidavit envelope with the name of Adam Kumpu on it. LANGILL looked at the printing for the return address on the outer envelope and indicated that writing was that of Adam Kumpu.

The outer envelope has a cancelation date of **2 NOV 12** received at the Clerk's Office **NOV 3, 2012**. LANGILL advised the 3 is hand written in that their date stamp was wrong and they manually corrected it.

0826 hrs. spoke with: CLAIRE CALLAHAN, Assistant Clerk for the Town of Milford.

CALLAHAN advised that she has known the KUMPU family forever. CALLAHAN does recall Janine KUMPU coming into the Clerk's office to pick up the absentee ballot application.

CALLAHAN does not recall if Janine KUMPU dropped off the application but she confirms that the words "**Dropped Off**" are her writing and the Date Mailed **10/19/12** is also her writing and that would be the date that she sent out the absentee ballot to Adam KUMPU at the Keene State College address.

PB: Today is October the 11<sup>th</sup>, 2013, it is currently 9:57 hours we are here at the Office of Attorney Vogelmann and I will let the gentleman introduce himself and spell for the record, please

AK: My name is Adam Kumpu; Adam A-D-A-M; Kumpu K-U-M-P-U

PB: Date of Birth, please

AK: [REDACTED]

PB: Ok, and your home address

AK: Um, currently it's [REDACTED], Keene, NH 03431

PB: And, you're a student there at Keene State

AK: Correct

PB: Ok, now as far as your legal residence would be what

AK: Um, well I still live with my parents as well so [REDACTED], Milford, NH 03055

PB: Ok, and your contact phone numbers

AK: Um, my phone number is [REDACTED], my mother's is [REDACTED], and my father is [REDACTED]

PB: Ok, and just to establish the numbers can you give your mother's name and your father's name please

AK: My mother's name is Janine Kumpu and my father's is Richard Kumpu

PB: Thank you, very good. As we indicated before it's regarding the November 6, 2012 presidential election. And I guess I will let you explain what took place.

AK: Ok, so I remember hearing, a few months before the election, that students wouldn't be able to vote in Keene, um, don't know if this just a rumor going around, I'd spoke to Larry and he said that ever election there people who try and get it so certain students can't vote on campus and there is always this big ordeal so I am assuming that's where the rumors came from. Um, I had my mother assist me in getting an absentee ballot so that I would be able to participate in the election. I remember filling it out and um being very excited to exercise my right um as a month or so went by I am assuming, everyone was getting very excited about voting and this rumor had kind of fizzled away that student's wouldn't be able to vote in Keene and there's this new thing that, everyone was going to be able to vote down at the police station um I just had a lot going on with school um I completely had forgotten about the absentee ballot, not that I had received it, but apparently that I had sent it in at some point, I don't remember when um so I was getting very swept up and excited in the spirit of voting with my friends and went down and exercised my right unknowing that I had already sent in my absentee ballot.

PB: Ok, so, you sent it in

AK: Yes

PB: Ok. Let me show you a copy of an envelope which was evidently received by the Town of Milford on November the 3<sup>rd</sup>, does that look familiar to you

AK: Yes, it's my handwriting

PB: That's your handwriting

AK: Yep

PB: Ok, so they received it November 3<sup>rd</sup>, when do you think you would have sent it in

AK: Probably about a week earlier, possibly

PB: Well, it's postmarked November, as you can see here, so it unfortunately that obliterates the date but um, does that help you recall anything further

AK: Um, I vaguely remember sending, going into my mail room to send this, I am not sure which day it was, I just, I remember that I had a lot going on it must have just....slipped through the cracks

PB: Let me back up, you say, you sent it – your mail room, you talking about Milford or Keene

AK: Keene State

PB: Keene State

AK: Yes

- PB: So if this is November 1 or 2, that it gets sent, received November 3<sup>rd</sup>, then we are talking just two or three days later, how would you forget that you had sent this, just a couple days prior
- AK: Um, well, like I said I wasn't completely sure about the date, I had a lot going on with school and stuff, um, it must have been one of those things I was just on my way to class, stopped by, tossed it in there, gave it to the mailroom, um, just completely forgot about it
- PB: Within two or three days, ok, alright. Now you are saying that your mother assisted in the application
- AK: Um, ya, she picked it up for me, sent it to me or came and gave it to me
- PB: Did she do anything further
- AK: No
- PB: Because the problem we have on the application is that writing does not appear to be Adam Kumpu's writing
- AK: She must have helped me fill it out then cause that does look like my mother's hand writing
- PB: Absolutely, ok, now I know we were trying to arrange a time to get together so, do you get home to Milford very often
- AK: Um, probably every two weekends, every two to three weekends, I visit home
- PB: Ok, because this is potentially signed October 17, 2012, at which case I'm at a loss trying to determine what date that was, but, day I should say
- LV: I wonder if I got it here
- PB: (inaudible)
- LV: Trying to get to the computer to figure that out, right
- PB: 2012, ok, so, this year it's going to be on a Saturday, so presumably it was on a Friday, so would you have, believe you may have been home then in order to have
- AK: Well it was a Friday so I didn't have class so potentially I could have been home or my mother came to the
- PB: I am sorry, I was looking at the 12<sup>th</sup>, that's my error. 17<sup>th</sup>, now that was a Thursday this year so a Thursday
- LV: October, 2012, is that what you wanted
- PB: October 17, 2012

LV: Wednesday

PB: Wednesday

AK: I would assume that she came to visit me if she had handed me that

PB: Ok, so you are confident that, that's your mother's handwriting, she filled it out

AK: That portion, yes, correct

PB: Would have brought it to you

AK: Yes

PB: And then you would have ultimately sent it in from Keene

AK: Correct

PB: Ok, alright and then as far as Keene's concerned, let's see, does that look familiar

AK: Um, that's my signature, yes, yes

PB: So this would have been like the same day your registration form that you would have completed in Keene,

AK: In Keene, ok

PB: Alright, well it says Keene, ok – do you want to see any of these Larry, no, ok  
Alright, that's...

LV: Let me see the absentee ballot

PB: Ok, and then, do you recognize this one as far as registration

AK: Ya

PB: Ok

AK: It's my handwriting, it's my signature

PB: So this is when you would have registered in Milford itself

AK: Ok

PB: In November, 2010

AK: 2010, ya

PB: Alright, so you agree then that the registrations for Milford and Keene, which have indicated appears to be your writing, are ok

AK: Hmmmhmm

PB: And that the absentee request is your mother's handwriting

AK: Correct

PB: Correct, ok, very good, have you folks discussed this at all since we have been in touch with you

AK: My parents and I

PB: Yes

AK: Um, ya we have discussed it between ourselves just um we were amazed about how confusing it's been and um how I can't believe I made such a careless mistake um just, it's just kind of shocking to be in a position like this you know my family, we never really had to deal with any criminal lawyers or cases being charged against us or anything like that it's all kind of blown up at once

PB: Ok

AK: And, especially with me you know not remembering and having no intent to do this you know it's been kind of shocker to have all this come back and trying to remember you know when was I here, if I did this, when did I do this,

PB: Right, ok – now, since we have been in touch with you then have you actually obtained another application to read what it states above

AK: No

PB: You have not, ok, because it is a rather serious matter and quotes a statute regarding a possible misdemeanor charge so, we need to, in this state we take these issues rather seriously, best of the nation in that respect anyway – ok is there anything you wish to add

AK: No

PB: We will be ending at 10:07

PB: Today is October the 11<sup>th</sup>, 2013, it is current 10:08 hours we are here at the Office of Attorney Vogelman and present is Attorney Vogelman and Paul Brodeur from the Attorney General's Office and I will ask the young lady to introduce herself and spell for the record please.

JK: My name is Janine Kumpu; it's J-A-N-I-N-E, last name is Kumpu K-U-M-P-U

PB: And your date of birth

JK: [REDACTED]

PB: And a home address

JK: [REDACTED], Milford, NH 03055

PB: And contact phone numbers

JK: My cell would be area code [REDACTED]

PB: Is that the only phone you have

JK: Yes

PB: You don't have a home phone

JK: No, we don't have a land line

LV: It's getting more and more common

JK: Yes

PB: Sure is, ok, just a few quick questions then regarding the November, 2012, election, which was the presidential election at the time and the issue is, you are probably well aware at this point is the fact Adam submitted a absentee ballot as well as voting in Keene, NH , so why don't I just let you explain what happened

JK: Well we were all excited about the upcoming election, this was to be Adams first election that he was able to vote in and we were um trying to be a political aware family and trying to do always do our civic duty so he was very excited for this opportunity to be voting in the election. He goes to college at Keene State and didn't think he was going to be able to vote in Keene and since we live in Milford, NH, so I said "well, buddy, if you want to vote and you don't think you're going to be able to vote in Keene, why don't we look into getting an absentee ballot." And none of us have done voted with absentee ballots before so this was a new experience for us so anyways I found out that I could go down to my town hall and pick up an absentee ballot for Adam so that's basically what I did, I went to the town, spoke to our clerk there, who I know and we had a nice chat, because she has known Adam since he was a little kid and said "Claire, can you believe Adam's old enough to vote, he's in Keene and I am just getting an absentee ballot for him."

PB: What's Claire's last name

JK: Claire Callahan

PB: Callahan, ok, is she a clerk or

JK: I think she is a deputy clerk, town clerk at this point

PB: deputy clerk, ok, very good, so you pick up the absentee ballot

JK: Yep

PB: What do you do with it from there

JK: I believe Adam came home to pick it up

PB: Ok

JK: But I am not sure

PB: We established that the day that it was signed and it was a Wednesday

JK: Yep, ok

PB: So, presume he is only off on Fridays

JK: Back then I don't know what his schedule was, back then, or I don't recall what it was, I know this semester he's

PB: Fridays

JK: (inaudible) ya

PB: Just one other question before we move forward, you say that that was his first voting

JK: Yep, first presidential election

PB: First presidential election

JK: Presidential election

PB: Presidential election, ok, because I see that he actually registered in Milford in November, 2010

JK: Ok, yep

PB: So he, state election evidently in that time period

JK: Yep

PB: Good, ok, alright, and so what have you determined since then as far as the absentee and the actual vote

JK: What have we determined

PB: Ya

JK: We never gave it (laughing) didn't know that that had occurred, didn't know that he had mailed in the ballot until all this came up, it was (laughing) all news and no

PB: Ok, so the question at hand is the fact that it appears that the absentee ballot was completed by someone other than Adam, does that handwriting look familiar to you

JK: YA, yep

PB: What does it look familiar about

JK: That looks like it's my handwriting

PB: Ok

JK: Yep

PB: And the signature of Adam I presume is, I shouldn't presume anything but it looks like it's not Adams as well

JK: Could not be Adam's, it could definitely be mine, but I don't recall

PB: Ok – did you read the absentee ballot before completing this

JK: Probably not thoroughly (laughing)

PB: Ok, so at the time you didn't realize that it was a misdemeanor to commit this type of an activity

JK: No probably not (laughing)

PB: Probably not or not

JK: No, no, didn't not, was definitely not aware

PB: Ok – and so now the question is did you bring this to City Hall or Town Hall because I see that it's dated October 17<sup>th</sup>, 2012

JK: Ok

PB: And (inaudible) was at Town Hall very quickly because they have a notation that they mailed out the absentee ballot on October 19<sup>th</sup>, 2012, do you recall if you may have brought this to Town Hall

JK: I don't recall, I actually thought that I gave it to Adam and that he was going to mail it, I actually do not recall that

PB: Alright, incidentally they did mail it and Adam must have received it and then it was ultimately mailed back first part of November, 2012, alright, so you do not recall bringing this to Town Hall

JK: I don't (laughing)

PB: Alright so if we speak to Ms. Callahan if she has a recollection of you bringing it back and having another nice conversation with that be a surprise or otherwise

JK: It would be because I honestly don't, I honestly do not recall

PB: Ok, very good

JK: Busy Mom, a lot of things going on, I just don't recall, I know I was just trying to help my son out, make sure he was getting to vote

PB: Ok

JK: No idea that he was going to vote in Keene, didn't even think it was possible

PB: Did he mention it to you after the fact that he had voted in Keene

JK: He might have mentioned it to me that he had voted in Keene

PB: Did that raise any concerns

JK: It honestly didn't

PB: It didn't

JK: It did not

PB: Ok, very good, alright, do you have any questions, do you wish to add anything else

JK: Nope, no except for there was, no you know intention of this (laughing)

PB: Ok

JK: You know, we try to be law abiding citizens, we try to do things right, I don't think I have had so much as a parking ticket (laughing) or speeding ticket in the last 30 years, you know I work at a bank we raise kids, our children go to college

PB: Excellent, ok

LV: Ok

PB: We are ending at 10:15

Mary Ann: got home from No Conway at Midnight. Called when I was done with Kumpu and I do not need to return to No. Conway at this point.

Met with Adam and Janine Kumpu separately with Atty. Vogelmann. Interviews taped. Adam advised Mom must have gone to visit him seeing app. signed on 10/17. Adam admitted the printing and writing appears to be that of his Mom, Janine. He tried to indicate hectic schedule at school he must have forgotten he sent in absentee ballot. Ques. how forgot when would have been mail Nov 1 or 2 and received in Milford on Nov 3 then went to vote Nov 6. "Just busy, hectic etc"

Janine admitted going to town hall and picking up the app. Recalled having a conversation with Claire Callahan, Deputy Clerk who she has known for a long time. Thought Adam had come home to get app. When saw printing and writing admitted was her's. Ques. seeing signed 10/17 and absentee ballot sent out on 10/19 if she returned the absentee app to town hall. Didn't recall doing that. Will get interviews transcribed.
